

REMARKS

By this Amendment, claim 20 is amended. No claims are added or canceled. As a result, after entry of this Amendment, claims 1-6 and 8-26 will remain pending.

In the Office Action dated May 8, 2006, the Examiner rejected claim 20 under 35 U.S.C. § 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter that the Applicant regards as the invention. Specifically, the Examiner noted that the term “the substrate member” lacks antecedent basis. The Examiner suggested amending the term to read “the support member.” In response, the Applicant has made the suggested change. Accordingly, the Applicant respectfully requests that the Examiner withdraw the rejection.

In the Office Action, the Examiner indicated that claims 1-6, 8-19, and 21-26 are allowed. The Applicant would like to thank the Examiner for this indication of allowed subject matter.

With this Amendment, the Applicant believes that all of the pending claims are now in a condition for allowance. A Notice of Allowance is, therefore, earnestly solicited.
